Statement of Former Northampton County Executive Gerald Seyfried on the McClure Announcement

February 23, 2021

“I am proud to endorse the candidacy of Lamont McClure for County Executive. His proven leadership on major County issues such as the Covid-19 Pandemic, County elections, cleaning up the financial mess of his predecessor, keeping Gracedale publicly owned and the list goes on.

He has shown wisdom and insight to lead Northampton County. He is not only asking for your vote though his hard work and diligence, he earned it.”
